Re: GSA Waiver Request: W2017-9

Thank you for your request dated May 26, 2017, to purchase one (1) vehicle with all required components for the Spinal Cord Veterans Driving School Program at the VA Caribbean Health Care System. This vehicle is a specially engineered vehicle for drivers with spinal disabilities and is not available on GSA Contract. The VA HQ Fleet Manager, Ms. Regina Larabee has concurred on your waiver request submission. Consequently, we are granting your waiver request to purchase this vehicle. As outlined in the attached document of waiver provisions, this approval applies to this vehicle and does not release VA from following all applicable acquisition regulations. Please contact Lisset Ramirez on (703) 605-2935 if you have any questions.

Sincerely,

Re: GSA Waiver Request: W2017-22

Thank you for your request dated September 28, 2017, to procure twenty (20) light duty vehicles to support disaster recovery efforts resulting from Hurricane Maria. These vehicles will eventually be turned over and equipped to function as Law Enforcement vehicles to replace DHS vehicles damaged during the hurricane.

Your waiver request is approved contingent upon the following:

- DHS is required to procure these vehicles within 10 calendar days from September 29, 2017.
- GSA requests confirmation of your award and delivery acceptance.
- Any additional urgent and compelling vehicle procurements shall be awarded by GSA.
- Approval is required by DHS HQ Fleet Manager – Ms. Dionne Chisolm.
- DHS must abide by all applicable procurement rules and regulations when obtaining these twenty (20) vehicles.
- DHS must meet with GSA the first week of FY18 to discuss future vehicle needs and potential OEM vehicle support being made available for disaster relief efforts.

Please contact Kevin Gibson of my staff on (703) 906-7689 or at kevin.gibson@gsa.gov with dates and time that you and Dionne Chisolm (DHS HQ Fleet Manager) are available to meet next week.

Re: GSA Waiver Request: W2018-2

Thank you for your request dated March 6, 2018, to purchase one (1) Attenuator Crash Truck. GSA is the mandatory source of supply in accordance with the Federal Property Management Regulation (FPMR) 101-26.502, for the purchase of new non-tactical vehicles for Executive, and Department of Defense agencies as well as other eligible users.

Per your waiver request:

1. Any work stoppage or delay is a direct effect on the mission and jeopardizes the safety of everyone.
2. Vendors will be contacted to obtain a delivery date of April 30, 2018 to support the Spring mission.

Consequently, we are granting your waiver request to purchase this vehicle. As outlined in the attached document of waiver provisions, this approval applies to this one (1) vehicle and does not release the Army Corps of Engineers from following all applicable acquisition regulations.

Please contact Lisset Ramirez on (703) 605-2935 if you have any questions.
